THE MUNICIPAL COMMISSIONER,
City Municipality,
DAVANGERE

To

The Secretary to Government,
Local Self Government and Planning Departments,
Mysore Government Secretariat,
BANGALORE.1

Sir

CM 118-53-3

I write to invite kind reference to G O No L 5685-88/C M 118-53-2 dated 12/14th Aug 1953 sanctioning 22 estimates aggregating Rs 50,000/- in respect of certain City Improvement Works wherein the Government were pleased to sanction the grant of Rs 25,000/- and the balance of cost be-ing met out of Municipal funds

This Government Order was placed before the Municipal Council As owing to very heavy and continuous rains even most important thorough-fares of the city have sufferred very great damage affecting extensively principle roads viz Chowkipet, Mandipet and Ashoka roads which are so to say, the procession route of the Davanagere City, the Council felt that these roads should be renovated forthwith since there is very heavy and continuous traffic throughout the day all along this route on account of almost all important shops and institutions being situated on them Therefore the Council have sanctioned the following estimates for renova-ting the above roads at a cost of Rs 5950/- to be met out of pro-vision made for City Improvement Works sanctioned by Government in the above Government Order for tarring of roads in Davanagere City at a cost of Rs 14,300/-

1	Tarring of road in Chowkipet	Rs	2,350/-
2	-do- in Mandipet	Rs	2,900/-
3	-do- in Ashoka road	Rs	700/-
			5,950/-

In their original proposal, the Municipal Council had made provi-sion for installation of electric pumps and over head tanks for five wells of the City at a cost of Rs 12,500/- On reconsideration, the Mu-nicipal Council have decided to instal electric pump and overhead tank and public tap to the well in K R Market as this would help the vendors

and the Public there to have continuous Water supply throughout the day They have thought that inview of the great havoc caused during the recent heavy rains, and to prevent further damages from rain water reaching into the houses certain emergent works by way of provision of surface drains, metalling of roads in badly affected colonies i e Hadadi Cooly Colony, Azad nagar and Vinoba Nagar which are occupied by poor people from schedule class population have to be preferred to the installation of Pumps and overhead tank for the other 4 wells at a cost of Rs 10,000/- sanctioned by Government The Council wishes to utilize this provision for ~~meeting~~ construction & metalling of roads, provision of surface drains, construction of culverts etc rendered necessary by unprecedented rains in other colonies since they are emergent and most essential Owing to heavy rains it was also found that the portion of passage between the closed and the opened stalls in K R Vegetable market which is the busiest market-place in Davanagere became in-accessible owing to slush and stagnant pools People could not resort to the market place as they were afraid of casualities There was a great hue and cry from the public as well as the vendors that unless the market is made accessible they will have to abandon it Hence it was found very necessary to pave this passage by stone-slabs as it amounted to a work of permanent nature and benefitted a large number of public who resort to ~~the~~ market-place daily An estimate for paving this portion costing Rs 4,900/- was duly approved by the Council at their meeting held on 28-11-52 as per copy of the resolution enclosed and I request you very kindly to obtain the approval of the Government to the deviation of their original proposal to the extent detailed above as these were brought about by unforeseen and unprecedented rains which the Municipality could not anticipate while making their original proposals since the present ~~circumstance~~ State of affairs is brought about by circumstances over which the Municipality has no control

I also enclose herewith a note sent to me by the President of the Municipality wherein he has opined, that three works items No 10,11 and 12 should be taken in anticipation of Government sanction as these are emergent, important and necessary

The relative council resolutions are also submitted herewith for kind perusal of government I solicit kind sanction of Government to the above deviations and also approval of the action taken in anticipation of sanction of Government

FORWARDED

(B I Gopala Rao)
PRESIDENT,
CITY MUNICIPAL COUNCIL,
DAVANAGERE

Yours faithfully

(K Narasimhaiengar)
MUNICIPAL COMMISSIONER,
DAVANAGERE CITY MUNICIPALITY

HSK RAO/2

PRESIDENT'S NOTE IN RESPECT OF WORK TO BE PREFERRED IN THE CITY IMPROVEMENT WORKS NOW SANCTIONED BY THE GOVERNMENT

-- 0 --

		Rs
1	Construction of Culvert inh C Colony	5,500/-
2.	B S Slabs Paving in front of Gubbi Basappa's house	1,150/-
3	-do- between the barline road and Myasa bedarakeri	1,000/-
4	-do- Cross line of Thalavarakeri	1,050/-
5	S P drain in conservancy of Azadnagar Colony towards A K Hatty	1,000/-
6	S P drain Nalaband keri North street	600/-
7	Metalling of roads in Bramhappa's lane	800/-
8.	-do- in Kasaikeri V th Dn	800/-
9	Four culverts in Vinobanagar	2,000/-
10	Pumping set to the well in K R Market	2,500/-
11	Paving B S Slabs in K R market	4,900/-
12	Tarring in three roads(Chowkipet,Thambakpet and Sampige road)	5,950/-
	Total - Rs	27,250/-

The marginally noted estimates are to be taken up out of the City Improvement Grant recently received as most of the Councillors are pressing for taking up these works immediately

I do agree with with their expression and feel that the above works be preferred top priority in the City Improvement Works Item Nos 1 to 9 have been included in the original proposal sent to Government The other three items i e 10, 11 and 12 are not included in the original list Since they are of urgent nature,though they are deviated from the original sanctioned proposal, these works may be taken up immediately together with the other subjects, in anticipation of sanction of Government to the deviation In the meanwhile,Government may be addressed for the approval of the deviation now proposed
